Debbie started playing Pickleball in October of 2017. What started out as a once-a-week activity quickly became a 6-7 day a week obsession. She played her first tournament in December of 2017 and continues to play in as many tournaments as she can. Without a background in racquet sports, she progressed from a 2.5 player to a 4.0+ in just 2.5 years. In addition to playing, she is the treasurer & clinic instructor for the Park City Pickleball Club, a Basin Rec Pickleball Site Supervisor, and provides private and small group lessons for beginner and intermediate players.
